

Red Deer — Completing its 62nd year of operation, the Provincial 4-H Dairy Show was a huge success. With 62 members exhibiting their projects, the Red Deer Westerner was home to members and projects during this three day event, which ran from July 15- 17.

“Due to the long standing tradition, of the Provincial Dairy show, people involved in the dairy industry are very familiar with the format of the event.” commented Leila Hickman Regional Specialist and show organizer. “It’s not unlikely for you to find three generations of family members, watching the show. It truly is a show with a great history.”

While the schedule for the three day event leaves little room for down time, these 4-H members always find time to get in a little fun. “Getting to meet new people, and learn more about the industry”, is what keeps Christine Ronald coming back after 9 years.

This three day event boasts some of the keenest dairy members across the province. The Dairy show is able to encompass a balanced palate between knowledge challenges, skill competitions and down time.

Tuesday night’s quizzes varied on account of age group; however, regardless of age category, the final tallies between team’s cumulative score were just pints within one another. Judging, being that it as a skill that delegates use regularly whether it be with deciding between a pair of shoes or deciding between a cow/calf pair, is always a close competition and the six delegates who score the highest points on their judging are then asked to come back on Wednesday evening for Showring Judging.

Thursday morning had the members competing in Showmanship, where it was obvious the amount of work and time these members put into working with their animals. Conformation took place on Thursday afternoon.

While the main show is occurring, nominations for the Herdsmanship Award and Club Competition were gathered as well as having Print Marketing posters placed and Overall Aggregate winner points tabulated. Lee Morey (junior), Katelyn Crest (intermediate) and Lee Simanton (senior) were named winners of the Aggregate award within their respective age categories. On account of the talent, dedication and skill present at Dairy a full results page will be posted on the 4-H website.

The Provincial 4-H Dairy Show is a result of the generous support of its Title Sponsor, Gas Alberta Inc; along with Co-Sponsors, Alberta Dairy Industry, Alberta Agriculture and Rural Development and Westerner Park. For more information on the Dairy Show, please contact Leila Hickman, Alberta 4-H Specialist. Or visit the 4-H website www.4h.ab.ca.

Rules and Regulations

Registration Fee

All delegates pay a thirty (\$40.00) dollar registration fee (includes GST). Clubs make their combined registration fee cheque payable to the **4-H Foundation of Alberta**. This registration fee includes the show entry, t-shirt, parking and admission and five meals.

WCC entries for non-4H will be charged a fee of \$50.00 and it will include the show entry and five meals.

Participation Categories

Delegates compete in the following age categories as of January 1 of the current club year:

Junior - 9 to 11

Intermediate - 12 to 14

Senior - 15 to 20

Animal Regulations

All animals exhibited must be of a recognized North American dairy breed. Also, all animals must be officially registered 4-H project animals. An animal cannot be shown if the 4-H registration list and the calf's registration papers do not match. If an exhibitor is unable to show his/her animal due to exceptional circumstances, another club member or sibling may show the animal. Exceptional circumstances are those which occur at the last minute, such as illness, injury or a death in the family.

Equipment

Delegates may find the following list of suggested equipment useful in making the showing of their animals as easy as possible:

Pail, Grooming Supplies, Stall Cards, Club Banner, Feed, Bedding

Dress

Recommended dress code is the 4-H t-shirt provided and white pants, dark belt and hard toed shoes. The shirt is supplied for the delegates by Gas Alberta Inc and the Alberta Dairy Industry. Head bands will be used for show classes, and will be included in the club registration package.

Meals & Concession

Delegates, leaders, and sponsors may partake in the following meals at no charge: pizza party on Tuesday, breakfast and lunch on both Wednesday and Thursday. Meals for siblings, parents and other guests will be available at a cost of \$10 per meal or \$25.00 for the five meal package. Meal tickets can be purchased at the Provincial 4-H Dairy show office. There are also concessions open during the show at various locations throughout the Westerner Grounds.

Stalling

Clubs are responsible for keeping their stall and aisle tidy at all times. There are to be no bales or other barriers at the back of the stall. Bales, show equipment and boxes may be used to separate clubs between their designated stalls. All 4-H clubs should bring their club banner for the Parade of Clubs and to display at their stalls.

Stalling is provided for 4-H animals according to the program schedule, beginning at noon on Tuesday and ending at 4 pm on Thursday. All 4-H animals must be housed in the areas designated for 4-H. All animals entered must be on the grounds and registered for the show by Tuesday, July 15th at 5:00 pm.

Tranquillizers

The use of tranquillizing products on 4-H animals, immediately proceeding or at any 4-H project event is prohibited. Any animal that is tranquillized cannot be shown at a 4-H event.

Record Book Competition

Deadline: March 31, 2008

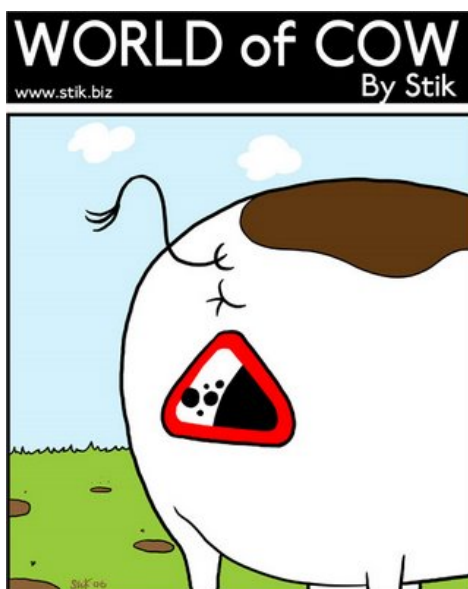

Members put countless hours into creating a neat, informative, accurate account of last year's dairy project. The record book competition helps teach members the importance of maintaining proper, well-organized information on their project animal. Each club had the option of submitting top record books per level (junior, intermediate, senior).

Knowledge Skills Competition

Tuesday, 4:30 pm

This contest gives delegates a chance to demonstrate their knowledge of dairy related subjects in a competitive setting. It will provide a fun and educational experience for both delegates and spectators.

Dairy Project Bowl – Junior

It's the 4-H Dairy project's version of "Quiz Kids". This is a contest for all junior delegates.

- Teams consist of four delegates.
- Questions come from information in the dairy project books.
- Teams and schedule are determined by show organizers; teams will compete at least twice.
- Round will end after all 21 questions are answered or 10 minutes is used, whichever is first.
- The first round of questions will be assigned by the moderator to individuals on each team. Remaining questions will be delivered in the “toss-up” format. All questions will be worth 1 point each.

Dairy Jeopardy – Intermediate

This contest contains more excitement than the actual game show hosted by Alex Trebeck. Dairy Jeopardy is open to all intermediate delegates.

- Teams consist of four delegates.
- Questions will come from information in the dairy project books.
- Teams and schedule are determined by show organizers; teams will compete at least twice.
- Round will end after all 20 questions are answered or 20 minutes is used, whichever is first.
- The format will be identical to the TV game show; delegates will have categories to choose from with each question in that category worth a specified amount of points.

Dairy Team Challenge – Senior Members

Put your thinking caps on!! Senior delegates will be given the chance to apply knowledge that they have gained throughout years of working with dairy animals.

- Teams consist of four delegates; teams are determined by show organizers.
- Teams will be presented with a “problem” related to the dairy industry and must come up with the best solution in only 30 minutes.
- Teams will have 5 minutes each to present their solution to a panel of judges.
- Teams will be judged on a number of criteria, including how well they solved the problem, how well they worked as a team, etc.

Clipping Competition

Wednesday, 9:00 am (Staggered Start)

This competition is open to all delegates. Members must bring a halter broken unclipped calf; the calf should be washed and have only its head clipped prior to the competition. Rope halters must be used. The official judge will inspect the calves at 8:00, before the competition begins. Members will then have 2 hours to complete their clipping. Junior members may work in pairs; intermediate and senior members must work individually. At the end of 2 hours, the official judge will once again inspect the animals to determine the winners in each age category as well as the overall winner.

Judging Competition

Wednesday, 1:30 pm

All delegates compete in this competition, which consists of 3 classes of 6 dairy animals – two heifer classes and a milking cow class. Delegates will be allowed 15 minutes for placing each class. During the class, delegates are not to handle the animals nor confer with any other delegates, leaders, parents, or spectators. After each class, delegates shall appear individually before a judge and will be allowed 2 minutes for presenting oral reasons on each class.

An official will be appointed to judge each class and give the official placings. In the case of a tie between delegate scores, the team or individual scoring the highest number of points on reasons will be declared the winner. If the tie is still unbroken, the award will be given to the team or individual scoring the highest number of points on placing of the classes. The overall team score is determined by using the top 3 delegate scores from each club. Prizes are awarded to the top three individuals in each age category, the high overall individual in reasons, the high overall individual, and the high overall judging team.

Pencils and judging cards will be supplied. Bring your own clipboard.

Juniors – Judge two classes (one heifer class and the milking cow class) and will only give oral reasons on one class. Notes may be used while giving oral reasons.

Intermediates – Judge all three classes and give oral reasons on all three classes. Notes may be used while giving oral reasons.

Seniors - Judge all three classes and give oral reasons on all three classes. Points will be deducted if notes are used while giving oral reasons.

The top six delegates from the judging competition advance to the Showring Judging Competition. Showring Judging Teams will consist of one acting judge and one acting ringman, working together to complete placing of the class, working of the ring, oral reasons to the public, and removing the class from the show ring. Delegates will be paired by event organizers.

Dairy Quiz

Wednesday, 3:30 pm

Even on summer holidays you can't get away from quizzes! This quiz tests members on their general knowledge of dairy cows and the dairy industry. Questions were created from information found directly in the 4-H Dairy Project Books. The quiz covers topics such as general 4-H, safety, parts of the animal, medicines, equipment, feeds, pedigrees, different systems within the body, dairy breeds and calf care. Sharpen your pencils!

Overall Aggregate

Individual Competition

The Aggregate award is designed to acknowledge the individual members who place consistently high in all member competitions held within the Provincial 4-H Dairy show. The following classes will be scored for the aggregate competition: Clipping, Judging, Quiz, Print Marketing, Record Book, and Showmanship.

For each competition that the delegates enter and place, they will be awarded points based on their placing. At the end of the show, the delegates with the most points will earn the prize of Overall Aggregate.

This I Believe....

The origin of this is unknown, but the words hold meaning that all of us can strive for in 4-H.

1. The 4-H boy or girl is more important than the 4-H project.
2. 4-H is not trying to replace the home, the church, and the school, only to supplement them.
3. A 4-H boy or girl is the best 4-H exhibit.
4. No 4-H award is worth more than what happens to a 4-H member or leader.
5. Learning how to do something is more important than the doing of it to perfection.
6. Many things in learning are caught rather than taught.
7. A red ribbon 4-H'er with a blue ribbon animal is more desirable than a blue ribbon 4-H'er with a red ribbon animal.
8. Learning to do by doing is fundamental in any sound educational program and is what makes us all 4-H'ers.
9. Generally speaking, there is more than one good way to do most things.
10. Every 4-H member needs to be noticed, to feel important, to be on top, and to be praised.
11. The leader's job is to teach 4-H members how to think, not what to think.

Thank you for supporting our show.
See you next year.
