

## Alberta Greenhouse Rebate Program (AGRP) Frequently Asked Questions

### **What does the Alberta Greenhouse Rebate Program provide?**

This program provides eligible greenhouse operators with a grant equal to 80% of the carbon levy paid on their purchases of eligible natural gas and propane used for crop production related heating within their greenhouse.

### **Who can participate?**

To be eligible for funding an applicant must be a registered legal entity operating a commercial greenhouse in Alberta with sales of eligible crops exceeding \$20,000 in the 12 month period prior to the application date. New start-ups that have operated for less than 12 months must have anticipated annual sales exceeding \$20,000 in the twelve months after the application date.

### **How do I apply?**

Eligible applicants must complete and submit Part 1 and Part 2 of the application form, the producer survey and provide copies of the eligible fuel invoices and receipts. Incomplete forms will not be processed.

Applicants can submit their application by email to [agrp@gov.ab.ca](mailto:agrp@gov.ab.ca).

### **How are grant payments calculated?**

Grant payments are determined using the calculations set out in Schedule "A" on page 6 of the program [terms and conditions](#).

### **Are Vertical Greenhouses Eligible?**

Yes. An "Eligible Greenhouse" means a heated commercial greenhouse space under an enclosed area used to grow vegetables, fruits, bedding plants, cut flowers, ornamental plants, tree seedlings, medicinal plants or other plants in Alberta.

### **I use coal to heat my greenhouse, is it eligible?**

No. Only eligible applicants who use natural gas or propane in the heating of their eligible production area will be considered eligible.

### **When can I submit an application?**

Applications will be accepted during the following submission dates:

1. July 1, 2017 – August 15, 2017
2. January 1, 2018 – February 15, 2018
3. July 1, 2018 – August 15, 2018
4. January 1, 2019 – February 15, 2019
