

Feeder Cattle Market Update

Let's talk... How many of you...

- Have stressed over when to sell your calves...especially this past fall?
- Have hoped to capture more value for your calves...especially with the additional costs you have invested in them?
- Wished you had more marketing options?

We'll talk more about how AgriClear can help, but first...

Agenda

- Review of the 2015 Canadian Feeder Market
- Review of the 2015 U.S. Feeder Market
- When has (historically) been the best time to sell your cattle?
- Changes in feeder cattle marketing
- Overview of AgriClear

So how can you access these channels?

What is AgriClear?

AgriClear is a secure web-based marketing platform that connects North American Cattle Producers.

Producers can now list, transact, and be assured of payment from their computer, smartphone, or tablet.

AgriClear lets you market to anyone, anywhere, anytime – with confidence

Empowering buyers and sellers!

Who are we?

NEVIL SPEER

ROLAND LABUHN

DAVID MOSS

Introduction to TMX Group

This platform is unique because of its partnership with TMX Group and NGX, a wholly-owned subsidiary of TMX, bringing together a wide array of knowledge and expertise. TMX Group's businesses operate cash and derivative markets, including Toronto Stock Exchange, TSX Venture Exchange, Montreal Exchange and NGX, provider of electronic trading, central counterparty clearing and data services to the North American natural gas and electricity markets.

TMX also provides clearing facilities, data products and other services to the international financial community. Backed by the financial support and clearing expertise of these two entities, you are assured of receiving payment for delivered cattle and receiving cattle as negotiated.

So how does AgriClear work?

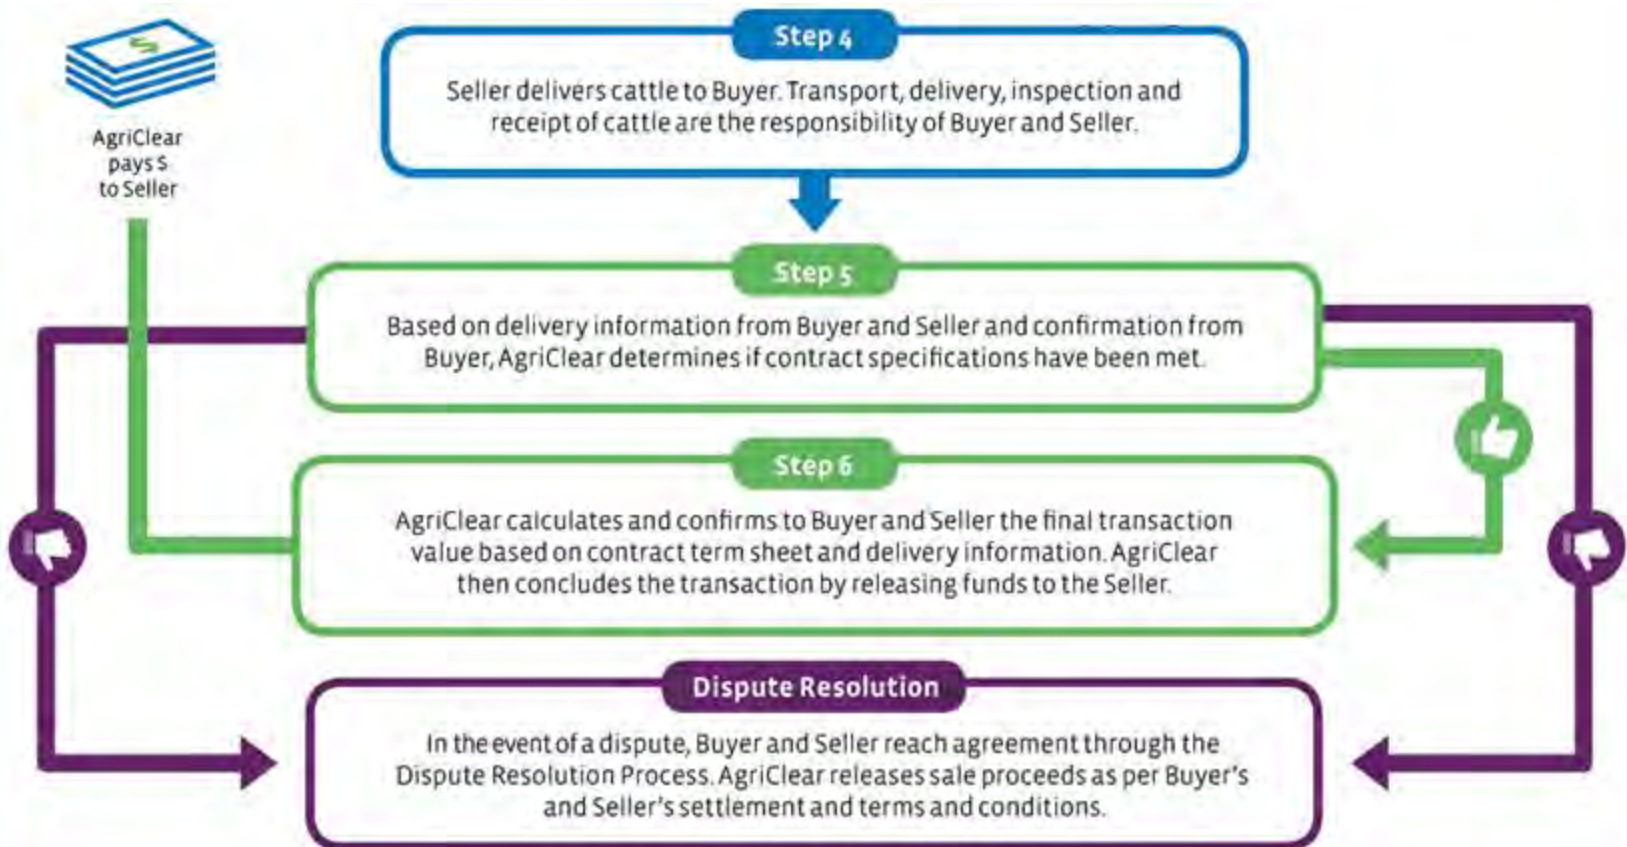

AgriClear Transactional Process

AgriClear is a transformational web-based platform that connects U.S. and Canadian Cattle Producers. Marketers can now securely list, transact, and be assured of payment from their computer, phone, or tablet. With AgriClear, producers across the United States and Canada are now able to buy and sell cattle with anyone, anywhere, anytime with confidence.

How AgriClear Works

AgriClear Transactional Process...cont.

Assurance Fund — \$10,000,000*

AgriClear facilitates all transactions and guarantees payment in accordance with AgriClear's terms and conditions. AgriClear collects payment for the full contract value, monitors all transactions from origination to settlement, provides real time reporting, and ensures that the deal will be handled seamlessly and securely. AgriClear's performance guarantee is backed by a **\$10MM*** fund held and administered by an independent custodian.

*In U.S. Dollars

The information conveyed in this chart of the AgriClear transactional process is for marketing purposes only and is subject to change. AgriClear and the AgriClear design are the trade-marks of AgriClear Inc. TMX (TMX.COM) and NGX (NGX.COM) are the trade-marks of TSX Inc.

Benefits to You

☑ Cost Savings

Lower cost structure at \$6/head/side, with no registration or listing fee(s).

☑ Expanded Marketplace

Access to a broader network of buyers and sellers.

☑ Attribute Based Marketing

Ability to capture more value from your genetic and/or management inputs.

☑ Reduced Payment Risk

Market across North America with financial certainty.

Let's take a walk through the platform...

 Shrink: 0

Product Details

All heifers are bred to Beefbooster easy calving M3 bulls with a no caesarian guarantee. Calving start date is May 1, 2016. Our cattle are bred with strict performance requirements under minimal feeding conditions. The breakdown of the heifers is as follows: 32 heifers are full M1 Beefbooster (27 black, 2 black brookface, and 3 red) - They weighed 945 lbs when preg checked. These will mature at 1300 to 1350 lbs. 7 Heifers are M1/M3 Cross. (3 black, 3 red, and a black white face). These average 955 lbs at preg check. Typically, these heifers mature smaller at about 1200 to 1250 lbs. 44 heifers are M1/M4 Cross. (18 black, 25 red, and 1 red brookface). Average weight was 923 lbs at preg check. M1/M4 heifers will mature about 1300 to 1350 lbs. 14 Heifers are M1/Tx cross. (9 black and 5 red). Average weight was 955 at preg check. M1/Tx heifers will mature at about 1400 to 1450 lbs.

AgriClear Marketing

Cattle Marketing on Your Terms

AgriClear is an online platform for buying and selling cattle, and will change the way you transact business. AgriClear empowers you to buy and sell cattle on your terms with greater efficiency, while facilitating payment assurance and deal certainty. With AgriClear, producers all over the United States and Canada are now able to buy and sell cattle with anyone, anywhere, anytime with confidence.

▷ INTRODUCTION TO AGRICLEAR

▷ HOW IT WORKS

▷ FEATURED LISTINGS

For Buyers

As a cattle buyer, you'll be able to search listings that match your specifications from a network of available cattle. Buyers can also create buy listings specifying their precise requirements. This enables sellers with cattle

For Sellers

As a seller, you can offer your cattle to a network of buyers that spans the U.S. and Canada. You take great pride in what you produce, with AgriClear you can much more effectively communicate your differentiated

Why AgriClear?

Why AgriClear?

As an industry, we need a more efficient, secure, and empowering way to buy and sell cattle.

- Buy and sell on your terms;
- Take control of your cattle marketing; and
- Join the over 1,000 producers who make up the AgriClear Community!

A person wearing a light-colored plaid shirt is shown from the chest down, holding a smartphone in their hands. The person is also wearing a watch on their left wrist. The background is a blurred outdoor setting. The entire image is overlaid with a semi-transparent green filter. Large white text is positioned on the left side of the image, and a blue underlined URL is at the bottom left.
