

BRUSH CONTROL REQUEST

Date: _____

RELEASE FOR VEGETATION MANAGEMENT

I hereby grant permission for Northern Sunrise County to control brush by application of herbicide, mowing, or by other means within the property listed below, along the perimeter of the property, including the fenceline and headlands, and into the adjacent road right-of-way. I understand that brush management will be conducted during late summer and early fall, only if time and weather conditions permit. This signed request shall include permission for Northern Sunrise County to enter my property for the purpose of performing such related brush control work.

I understand that:

_____ *Banvel VM®* is a slightly residual herbicide with low toxicity, which may persist in the soil for up to two years and may affect the growth of crops such as peas, beans, potatoes, all legumes, and other broadleaf crops. I hereby declare that I understand the residual effects of *Banvel VM®*. I agree to save harmless and indemnify Northern Sunrise County, its employees and agents, from and against all actions, suits, claims and demands arising in any manner whatsoever from activities associated with said herbicide application.

_____ *Garlon® group* is a residual herbicide with low toxicity, which may persist in the soil for up to three years and may affect the growth of crops such as canola, peas, beans, potatoes, all legumes, and other broadleaf crops. I hereby declare that I understand the residual effects of *Garlon® group*. I agree to save harmless and indemnify Northern Sunrise County, its employees and agents, from and against all actions, suits, claims and demands arising in any manner whatsoever from activities associated with said herbicide application.

_____ *Clearview® group* is a residual herbicide with low toxicity, which may persist in the soil for up to five years and may affect the growth of crops such as canola, peas, beans, potatoes, all legumes, and other broadleaf crops. I hereby declare that I understand the residual effects of *Clearview® group*. I agree to save harmless and indemnify Northern Sunrise County, its employees and agents, from and against all actions, suits, claims and demands arising in any manner whatsoever from activities associated with said herbicide application.

The Area(s) I wish to have maintained is/are on: _____
Quarter Section Township Range Meridan

Property access from: _____ Adjacent Crops: _____
Range Road Township Road i.e. pasture, hay, cereals, oilseeds, etc.

Problem weed(s): _____

Additional notes: _____

Landowner Name (Print)

Date

Signature of Landowner

Mailing Address

Northern Sunrise County Approval

Telephone # Postal Code

Note: Whenever possible, registered landowners will be contacted by telephone in advance of planned application. It is expected that landowners will be available to assist spray application personnel in locating brush concerns and accessing entrance to the property.
