PURPOSE

To provide guidelines pertaining to the level of service that Red Deer County is prepared to supply under the Subdivision and Open Space Mowing Program.

GUIDELINES/SCOPE

1. The turf maintenance of roadside ditches and boulevards adjacent to private property will be the responsibility of the adjacent property owner.
2. Municipal reserve properties that are located within the developed portions of subdivisions and hamlets will be mowed weekly.
3. Municipal reserve properties that are not located within the developed portions of subdivisions or hamlets will be mowed on a bi-weekly basis.
4. Open spaces along entrance roads into subdivisions and hamlets that are not adjacent to private property will be mowed within a three-week rotation.
