

Section: A.S.B.	Page: Adopted: November 12, 2014 #512/14
Subject: SOIL SAMPLING PROGRAM	Control Code: 11.13

Purpose:

To assist producers with the collection of soil samples for nutrient analysis, shipping and results interpretation.

Policy Statements:

1. The Agricultural Service Board will provide sampling services at the request of producers.
2. The Agricultural Service Board will supply a soil sampling probe and any labor required to operate this equipment.
3. The producer will assume the shipping costs, laboratory testing costs, or any additional fees charged for analysis.
4. The Agricultural Service Board will review the fees charged for this service annually at the start of each year.
