

Section:  A.S.B	Page: Adopted: November 12, 2014  #512/14
Subject: WEED CONTROL - PRIMARY HIGHWAYS	Control Code:  11.10

Purpose:

To prevent establishment and spread of Prohibited Noxious or Noxious weeds along the provincial highways within Camrose County.

Definitions:

- “Provincial Highway” means:
  - a highway or proposed highway designated as a provincial highway under the *Highway Development and Protection Act*, and
  - a highway that has been designated as a primary highway under a former Act if the designation is subsisting on the coming into force of this Act.

Policy Statements:

1. The Agricultural Fieldman is authorized to do custom spraying of weeds along Provincial Highways subject to agreement with Alberta Transportation and/or Highway Maintenance Contractors.
