

## Setting up web submission forms

If you want to save this form all ready filled in with your contact information follow these steps. The first part has to be done on a computer, then send it as email to your smart phone or tablet and save it as a link.

1. Open the form on a computer or laptop.  
[http://www1.agric.gov.ab.ca/\\$Department/pestmon.nsf/weevilWebSubmission](http://www1.agric.gov.ab.ca/$Department/pestmon.nsf/weevilWebSubmission)
2. Fill out the contact information that is required on the form.
3. Down at the very bottom of the form is "*[Cutworm Record: Auto-Filled]* (Drag link to the address bar of your web browser)" You should then see the address bar with your information as part of the address bar. Copy this information in the bar and email to yourself so you can save it on your smart phone or tablet.
