## Canadian Honey

Golden Acres Honey/McKenzie Country Farm Honey has gained a reputation for producing some of Canada's finest honey. Our natural and healthy products combined with personal, friendly service and integrity ensure customer satisfaction, which is key to our continued success.

Our honey is a product of both the beautiful and natural environment where it's cultivated, and the caring and conscientious Three Hills, Alberta workers. However, at the foundation of our quality honey are the bees that roam the Albertan wildflowers to produce it.

Golden Acres Honey was started in the mid 1980's and continues to be a family-run operation. McKenzie's Country Farm Honey was purchased in 2001.

In addition to our own brands we also offer private labelling services. Our pack sizes range from 150-gram glass jars to 1440 kilogram totes.

Certifications include: HACCP, Kosher, Pro-Cert, SQF.
