

Pure Raw White Canadian Honey

When you purchase Paradis Honey, you are purchasing over 350 years of family bee-keeping history from France to Canada. Their forefathers had their beginning in France and sailed to Canada in 1658, landing in Quebec City. Today, Mike, Lise and their children are proud to continue this long family tradition of beekeeping and honey production.

Their family name means Paradis and that is exactly what you receive when purchasing Paradis Honey. The absolute best 100% Pure Raw White Canadian Honey, sourced from Canadian Clover, alfalfa and wildflowers from the fields of the beautiful Peace River region of Northwestern Alberta, Canada.

With their custom manufactured state of the art equipment, they carefully remove the honey from the hives/combs in their CFIA approved and True Source Certified facility. The honey is placed in new steel drums for storage or packaged into premium retail packaging.

Please contact us for all of your domestic and international requirements.
