

Canola Oil and Other Food Oils

Sunora Foods, based in Calgary, Alberta, Canada, has its roots in canola oil. The very name – Sunora – is derived from the sun golden canola flowers that grow in the fields in the shadow of the Canadian Rockies.

Sunora is internationally recognized for its canola oil and related canola products and is a major Canadian exporter of food oil. Although Sunora Foods has its roots in canola oil, many customers turn to Sunora for other food oils and canola margarine. To these customers, Sunora means corn oil or soybean oil or sunflower oil. With its international trading capabilities, the company is often the best and most cost-effective source of corn oil, soybean oil and sunflower oil.
