Fresh and Frozen Pork

Sunterra Meats supplies high quality, traceable chilled and frozen pork cut to unique customer specifications.

Sunterra Farms' rigorous health and transportation protocols result in world-class market hogs entering Sunterra Meats. At the plant level, we make a personal commitment to ensure we meet or exceed industry standards at every step in the process right through to the shipping and delivery to our valued customers.

Sunterra Meats' customers are highly discriminating, demanding fresh tasting product that arrives at market in good condition. To meet this challenge, Sunterra uses state-of-the-art vacuum and shrink packaging technology that keeps moisture and oxygen away from the product.

The Sunterra brand is well known in Asia and the plant is working toward having EU approval. The company is relatively small but is currently exporting 70% of its products to the demanding Japanese market for retail and foodservice customers.
