

100% Natural Pure Canadian Honey

We are producers of bulk canola, clover/alfalfa, and wildflower honey from the fields of Parkland County. Great pride is taken in our ability to produce a high quality and safe honey product for export around the world.

TPLR Honey Farms Ltd. is a family-owned farm located in Parkland County that has been in operation for more than thirty years. Our mandate is to strive for excellence in honey production and we are proud to offer full production traceability. We are Canadian Food Inspection Agency (CFIA) registered and are compliant with the Canadian Bee Industry Safety Quality Traceability (CBISQT) protocols. All of our honey is packaged in brand new CFIA certified 45 gallon steel barrels.

This alongside our CFIA registration and CBISQT compliance allows us to ship our honey domestically and internationally.
