

## Wagyu Beef

Introducing Kobe Classic Beef, producers of the world's most exquisite and tantalizing beef product ever produced. Unlike other beef producers, our beef originates from Japanese Wagyu sires. Kobe Classic is so juicy, velvety smooth and flavorful, it's become the main draw at many establishments in North America.

Wagyu Canada Inc., based out of Alberta, Canada, produces specialty high end branded beef for markets in food service and retail. Our traceability program enables all information on the live animal to be carried directly to the point of consumption.

Wagyu Canada Inc. produces all muscle cuts for steaking and roasting along with a complete line of gourmet ground beef products. They also offer AAA and AA Black Angus beef for private label programs for export markets in Europe and Asia as well as a complete line of Alberta produced grain-fed bison meat.

There are certainly no assembly lines or cookie cutter approaches in the way we supply our products...you tell us what you want and we'll make sure you get it!
