

Section: A.S.B.	Page: Adopted: November 12. 2014 #512/14
Subject: LICENSING – WATER MANAGEMENT PROJECT – MAIN DITCH ONLY	Control Code: 11.05

Purpose:

To assist the landowners involved with a water management project to obtain a license with the Government of Alberta pursuant to the *Water Act – Water Diversion Projects*.

Definitions:

“Main Ditch” – The primary pattern followed by the waters of an area as they pass or flow off in surface streams.

Policy Statements:

1. That relative to approved Water Management Projects, the County shall apply for a license with respect to the main ditch only.
