

4-H Project Prohibited Feed Affidavit

4-H Show Name _____

4-H Member's Name _____

4-H Club Name _____

Lot # or ID # _____

I, _____ (please print your name)

of the _____ 4-H Club, attest that to the best of my knowledge, the ration fed to cattle under my authority, direction or ownership and which are supplied to any packer in Canada have not been fed "prohibited material" as defined in the Health of Animals Regulations C.R.C., c. 296

This certificate will terminate on December 15, 20____ or upon the delivery of my written revocation hereof. The certificate must be signed by the "owner" described on the Livestock Manifest regarding the livestock to be sold.

I agree that authorized officials from the packers may conduct reasonable inspection of feed records and feed facilities at location from which cattle under my direction or ownership are fed.

Part XIV – Food For Ruminants, Livestock and Poultry, Rendering Plants, Fertilizers and Fertilizer Supplements

Prohibited Material

162. (1) In this Part, “*prohibited material*” means anything that is, or that contains any, protein that originated from a mammal, other than
- (a) a porcine or equine;
 - (b) milk or products of milk;
 - (c) gelatin derived exclusively from hides or skins or products of gelatin derived exclusively from hides or skins;
 - (d) blood or products of blood; or
 - (e) rendered fats, derived from ruminants, that contain no more than 0.15% insoluble impurities or their products.
- (2) Prohibited material that has been treated in a manner approved by the Minister to inactivate the agents that cause transmissible spongiform encephalopathies is no longer prohibited material.

SOR/97-362, s. 4;
SOR/2006-147, s. 21.

163. (1) A person who identifies prohibited material by means of adding to it a marker or tracer substance that has been approved by the Minister in the manner specified in that approval, is not required to keep the records referred to in subsections 165(2) and 166(2) and section 171.
- (2) Every person who identifies prohibited material in accordance with subsection (1) shall maintain a record of the manner in which the marker or tracer substance was added to the prohibited material.

SOR/97-362, s. 4.

Feeding Prohibited Material to a Ruminant.

164. No person shall feed prohibited material to a ruminant.
