

VALUE CHAIN SPECIALISTS

Margurite Thiessen *Value Chain Development*

Stony Plain **Phone** 780-968-3513 **Cell** 780-920-4395

The value chain specialist, an experienced partner for successful business collaboration.

Since 2001 the value chain specialist has delivered key value chain information and coaching on collaborative business processes and best practices in value chain management. The specialist coordinates with Alberta businesses (producers, processors and others) to build value chains in the agri-food industry in the province.
