

The Field Crop Development Centre and Lacombe Research and Development Centre present

Lacombe Field Day

Wednesday, July 26, 2017

9 a.m. - 4:30 p.m. • Doors open at 8 a.m.

Mark Canada's 150th by looking at the past 150 years of agriculture, alongside the latest research, including:

- barley, wheat, and triticale varieties from the last 100+ years
- the future of nitrogen efficient barley varieties
- changing weed populations on the Prairies
- taste the difference quality makes in malt and food barley
- shifting cereal diseases and management strategies
- putting pulses in your rotation
- creating a variety, from crossing to commercialization
- disease management that fits your rotation

\$20 + GST includes lunch

Register by July 14 by calling 1-800-387-6030 or visiting the Agriculture tab at eservices.alberta.ca

At the Field Crop Development Centre, South of Lacombe on Highway 2A, then South on Rg Rd 270
