

Update on the Feeder Association Management System (“The Computer Program”)

There has been a change in contact personnel for the computer system. **Effective Monday, September 24, 2007**, Joanne Fournier of Front Line Business Consultants will be your new contact person replacing Dolores Mason, Jay Adams and Dace Cochlan. Joanne was involved in writing the manual and help functions for the system. She has agreed to provide response to your calls within 24 hours. If you need help in operating the system or if you have detected any errors or mistakes in the system please contact Joanne between 9:00 AM and 4:00 PM at:
